

You Have Peace of Mind ... Because You Have CheckArmor®

When you purchase personal checks from this financial institution, you have the added peace of mind of knowing you have access to support to help you restore your identity in case of fraud.

CheckArmor gives you

- Up to twelve months of **dedicated assistance** from certified fraud resolution specialists and internet monitoring when a fraud or identity theft event occurs¹
- An assigned **resolution specialist** to advocate on your behalf and:
 - Review your credit reports and identify signs of fraud
 - Place fraud alerts and file freezes on accounts where needed
 - Conduct an audit on your social media activities
- No-cost check replacement
- Incident isolation and prevention tips

CheckArmor is included on all checks purchased from this financial institution, so you can relax — help is available if you need it.

Your checks also come with the industry's most powerful security for mobile deposit capture.

Look for  **Photo Safe Deposit®**
